

Wilson Elementary School
Meet and Greet

Dear Parents,

Wilson Elementary School will be holding a Back-To-School Meet and Greet by grade level for the start of the 2020-2021 school year. Teachers will be providing Distance Learning supplies for their students that include pencils, folders, binders, markers, etc. as well as core curriculum material. Chromebooks will be replaced for all 5th graders. While 2nd-4th graders with older model chromebooks will be notified regarding replacement. It is a great opportunity for you and your child to meet and greet their teacher in person for the new school year.

Please be sure to arrive with a mask for both you and your child and adhere to all social distancing guidelines while attending this event. We ask that you park and walk to the school location, say hello to your teacher, pick up materials, and spend time reviewing materials with your child once you are home. The Meet and Greet is set up to be a short but important event for the kick-off of the new school year.

Each grade level will have a different date and meeting location. All Meet and Greets begin at 9:00 a.m. Expect to be contacted by your child's teacher for further information next week.

The Meet and Greet Schedule with meeting location and date is as follows:

Location: 5th Graders West side gate on Laurel Street - Friday, August 28
 2nd Graders front of school gate on Magnolia Street - Monday, August 31
 4th Graders District Office gate on Magnolia Street - Monday, August 31
